$$\text{pig} + \text{bird} + \text{sheep} + \text{cow} + \text{chicken} + \text{star} + \text{star} + \text{star} = \text{?}$$

A row of nine icons representing farm animals and objects. From left to right: a pig, a bird with wings, a sheep, a cow, a chicken, a gold star, another gold star, another gold star, and a question mark icon. The first five icons have a green plus sign between them, and the last four have a green equals sign between them. Below each icon is a small brown coin with a symbol on it: a pig, a bird, a sheep, a cow, a chicken, a star, a pitchfork, a pitchfork, and a star.
